

Evaluation: Rubric for the Crusades

Category	4	3	2	1	0
The rhyme must allude to changes brought about by the Crusades.	Four items are listed and are historically correct. They are also clear enough to interpret.	Three items are listed, are historically correct and are clear enough to interpret.	Only two items are listed, historically correct and are clear enough to interpret.	Only one item is listed, is historically correct and is clear enough to interpret.	The rhyme doesn't make itself clear about any changes brought about by the Crusades.
The work needs to have rhythm, rhyme and child-appealing characters.	The rhythm, rhyme and characters work well to help make it memorable and fun.	The rhythm, rhyme and characters are all present.	One of the three is missing or doesn't work well in the writing.	Two of the three are missing or don't work well in the writing.	There is no evidence of the writer trying to make this a nursery rhyme.
The presentation of the work needs to show effort and pride.	Work is very neat with good sentences, good grammar and good spelling.	Work is neat and has no more than one writing or spelling error.	Work is readable but has two writing or spelling errors.	Work is readable but has more than two writing or spelling errors.	Work is difficult to read due to errors and/or presentation.
